# Financial Profile

Credit Score-675 it's average so we can get a slightly new car

with a better credit score, this is an advantage.

Loan Term-We used 24 months/or 2 years year of the car

The Cost of Your Credit- \$1,013.33

Monthly Payment- \$22.11

# Budget

*Budget: \$350.00*

*Cost of Our Car: \$5,994.00*

*We had to make a few adjustments to the plan of our first car, because, the cost of our car was a little over our budget and now we have \$16.59 on our final car choice.*
